RE: WRITTEN ASSURANCE BY GETTY OIL COMPANY,
GETTY CONTRACT, MERCUR PROJECT
ACT/045/017, TOOELE COUNTY, UTAH

Dear Ms. Grubaugh-Littig:

In response to your letter of March 28, 1985, requesting assurance that the reclamation obligations of Getty Mining Company will be performed, I am enclosing herewith a letter addressed to the Board of Oil, Gas and Mining from the President of Getty Mining Company explaining the reorganization which has taken place in the Getty group of companies as a result of the acquisition of Getty Oil Company by Texaco Inc.

You will note that Getty Mining Company still is the holding company for the various operating mining companies formerly owned by Getty Oil Company, and therefore it seems appropriate that Getty Mining Company should be the company to give the guarantee requested.

I hope this letter will be sufficient for the Board. However, if you need anything further, please let me know.

Very truly yours,

JACK L. BRANDON
